Potlatch Fund was formed in 2002 and is a Native-led 501(c)(3) nonprofit and leadership development organization. Among Northwest Coast tribes a potlatch is a ceremony of celebration, sharing, and giving. Potlatch Fund honors these traditional values and is dedicated to inspiring the Native tradition of giving by expanding philanthropy within Northwest Tribal Nations and communities. The Annual Gala is Potlatch Fund's major fundraising event and brings together people from many different tribes, organizations, corporations, and communities.

***Spirit of Reciprocity*** the 2019 Fundraising Gala will be held on Saturday, November 2, at the Squaxin Island Little Creek Casino Resort, and includes the following.

- Pre- and post-dinner networking receptions
- Silent auction featuring Native art and cultural experiences
- Dinner celebrating traditional and local foods
- Cultural performances

The Fundraising Gala provides the opportunity to share culture through song and dance performances, to support and celebrate Native art and artists, and to assist Potlatch Fund with its fundraising efforts as it continues to undertake important work throughout Northwest Indian Country.

Join us in Shelton - Saturday, November 2, 2019- and help us celebrate 17 years of success! Funds raised on the evening will be used to sustain the organization's general operations and grantmaking and capacity building programs.

In Coast Salish tradition, we raise our hands to you in thanks and appreciation for your support of Potlatch Fund!

*Images:* Top- Native art, by Native artists, remained the focus of the 2018 Silent Auction. 54 items were open to bidding and over \$4,600 was raised in support of our 2019 Native Arts Grant Cycle. Middle- Git Hoan provided the main cultural demonstrations for the evening. Other performances were provided by Sacred Water. Bottom- Guests enjoy the reception, prior to dinner. The reception is just one of the many networking opportunities the evening provides.
