

INSPIRING THE NATIVE TRADITION OF GIVING

Potlatch Fund is committed to supporting community projects or programs that impart values, histories, and knowledge across generations to make our communities stronger and healthier.

Nine grantees in Washington and Montana received a total of \$71,250 with funding provided by the Bill & Melinda Gates Foundation, an anonymous foundation, private donations, and contributions from the 2015 Fundraising Gala.

The Potlatch Fund Board of Directors and Staff raise their hands to all those working to make a difference in their community.
